A Note from your Editor

Hello

And a Happy New Year to you all!!

Well here we are in 2022 and hopefully we can soon start to move forward with everything that's important in our lives.

*If you believe its never to early to start Spring Cleaning then why not take advantage of a new advertiser in this months issue who are specialists in Drive, Gutter and Roof cleaning. **Powerblast** is their name and all the their information is on **page 9**. If you or your friends would like to rent a cosy holiday Cottage in Scampton for the week then look carefully at picture and information on **page 7**.*

You may have noticed a reduction in pages this month and it is not due to the lack of content available to publish but to the cost of printing. Since the December/January double issue, printing costs have "gone through the roof" and although it pains me to do it, a decision had to be made to immediately reduce our costs until the Village Venture committee and I have had chance to explore every opportunity to manage the 45% increase to your Village Venture and all its advertisers. Rest assured, every avenue will be considered in continuing to bring you your Community magazine!!

Keep looking after yourselves and Stay Safe!

Bill Shaw

2020 Wine Atlas Feteasca Regala

Despite its unpronounceable name, this lovely Romania white is brilliant fare for “drinking anytime” or with gently spiced food.

Light bodied (with just 11.5% alcohol) and delightfully perfumed, it has soft pear, apricot and red apple flavours coupled with modest sherbet influenced acidity, floral elements and hints of sweetness

(£5 at Asda)

2018 Mimo Moutinho Portuguese Blend

Perhaps because it is led by a little-known grape variety (trincadeira), this red blend is astonishing value, beating most similarly priced offerings out of sight.

Smooth and medium bodied, it delivers rounded loganberry and bramble flavours supported by clove, cocoa and vanilla components, gentle acidity and minimal tannin.

(£3.99 at Aldi)

A word from the Rural Dean

We had a great Service at South Carlton on 9th January, really well-attended, to say thanks and farewell to Fr Sebastian and Alida. He has now retired and we wish them both well in their future life and ministry.

When I was at school, we sang at the end of term a hymn which still connects me not only with the vista of endless holidays to come, but with the poignancy of the departure of friends, the need to regroup, and the excitement of things moving on.

Lord dismiss us with Thy blessing
Thanks for mercies past receive.

We have a lot to be thankful for. Eight lovely churches, eight distinctive, locally embedded and faithful worshipping communities, broadly grouped as three hubs on the south, middle and north of the long thin parish. I have a huge affection for the place having lived there and ministered here in the past. I obviously compare it with where I mainly serve now in Nettleham. Fascinatingly, the population of each of the parishes is almost the same. Springline at the last census, 4,047 and Nettleham 4,212. How many of the Springline residents described themselves as “Christian”? -67.8%. And how many of the population are in the oldest age group “65 and over”? – only 13.8%- a very low number for West Lindsey- Nettleham has 2.5 times more.. More than twice as many are in the great missing-from-church generation, “45-64” many more than in Nettleham. What a huge opportunity- a large parish of people most of whom describe themselves as broadly Christian (remember, no-religion was a choice) and with a preponderance of people in the age group that is economically and socially most active.

As you know, the diocese is confronting a challenging scenario across its 630 churches-falling attendance, the burden of maintaining demanding historic buildings, an ageing and dwindling group of people caring for churches, a failure to do what the Lord requires of us (to love mercy, to do justly and to walk humbly with our God –Micah). And of course a thumping deficit.

Where are our best chances of seeing a flourishing church? Where there are a significant number of people (think Harvest) where there are already active congregations, where there are clear needs to be met (loneliness, mental health, lack of stimulation for young people, pockets of deprivation) and where there are good links with other institutions (schools for example). You don’t need to be a theologian or an organisational planner to see where the finger is pointing, At you. Which is to say, for the time being at least at us. As Rural Dean I share I share with your Churchwardens the responsibility for these churches. You will at some point have a new incumbent – every Anglican church must –but it is unlikely we will be able to provide one entirely for Springline. My plan is to work hard in your parish, to offer guidance where I can and to sow peace and collaboration. We shouldn’t do, as often in a vacancy, as little as possible to rock the boat and just tread water. The gospel imperative is now. Let us put behind us “to what am I and my church entitled” and think rather “with what has God blessed us and what does God require of us”

For the next month at least, we will provide clergy and lay ministers to maintain the existing pattern of worship, occasional offices, local prayers and pastoral care. Then we need to adjust – not only in Springline but across the deanery- and seek the best way forward to nurture our existing faith communities and attract new people to the life of the Kingdom of God. We will need to reflect on the vocations of the individual churches, and how they serve the flourishing of the faith across the parish. That might be more worship, more activity, and more public service, not less, and if it does, we will need all hands.

As we sat thanks and goodbye but commit ourselves to the future, let the end of the hymn speak:

Let thy father-hand be shielding
All who here shall meet no more;
May their seed-time past be yielding
Year by year a richer store
Those returning, those returning
Make more faithful than before

Fr Richard Crossland Rural Dean of Lawres

From the PCC Secretary

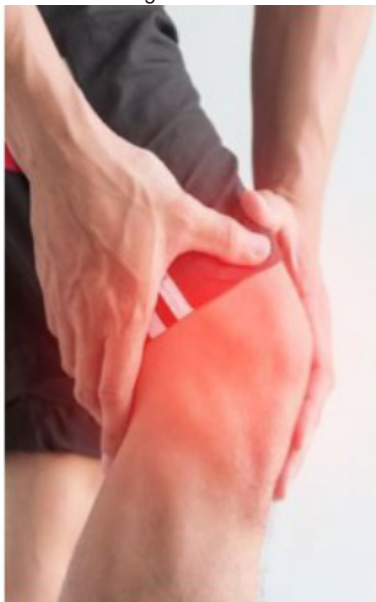

Just a short note as space is at a premium. We will be returning with a Zoom service on February 13th from Ingham at 10.30am.

Thank you to everybody who contributed to Fr Sebastian's leaving fund, he was presented with a framed picture of all the churches in the parish together with a cheque.

Ingham Parish Council Update

This update is based on decisions made at the last meeting of the Parish Council on 22nd November 2021 and actions since. You can find the most recent agreed minutes on the Parish Council website <https://ingham.parish.lincolnshire.gov.uk> and the Parish Council noticeboard.

Recreation area project: The Parish Council have submitted grant applications to both West Lindsey District Council and FCC Communities Foundation for funding for the project. Results from these applications will be received by early March. Thanks are extended to everyone who helped to support these applications.

Neighbourhood Plan: A public event was held on 8th October to obtain parishioners feedback on the assessment of possible building sites in the village. Following reports of confusion amongst participants on the night this meeting was rescheduled for 6th December. However, it was decided at short notice that, due to the escalation in COVID rates and the expected large number of parishioners who could attend in an indoor venue, that it would be safest to cancel this until further notice. Apologies to everyone that this affected.

The Parish Council have agreed to request an estimated precept of £22.876 being a 4% increase on last year's value. However, due to an increase in population in the village, it is expected that this will represent a much lower increase on council tax for the average household. Your Council Tax is made up of a number of elements which fluctuate but determine the total amount charged. This includes Parish Precept (the amount the Parish Council requires to fund its services), Amount of grant from West Lindsey District Council, Tax Base (the number of properties in the Parish), Local Council Tax Support Scheme (amount of financial support given to Parishioners on low income), Council Tax Discounts and exemptions (e.g. single person discount). The precept request amount will be finalised during January.

Following the resignation of Councillor Woods from the Parish Council, we have notified West Lindsey District Council that a vacancy exists. This has been advertised on the parish noticeboards. If you would like to find out more about the role of Councillor, please contact the Clerk.

LETS HAVE SOME TRIPS OUT!

We've all been cooped up long enough over the last couple of years, so let's look for something to get out to do. We live in a lovely part of the world, but - with luck - 2022 means we can get out more and explore!

I'm looking for any interest there may be in any coach trips in the spring? Of particular interest is the National Memorial Arboretum in Staffordshire with memorial gardens for all not just servicemen. A beautiful place to visit

approx 2 hours away. Also thinking of the end of the year, Chatsworth at Christmas, a lovely house to visit but this seasonal offering is magical.

I'm sure we can arrange for stops in all the villages, but I need to know how much interest there may be before I move any further to get prices and look at dates etc.

If you think you'd be interested, please notify me in one of the following ways, I won't be committing you to anything and if

there is not enough interest shown I'll be going no further with the idea.

Able Community Care is a Norfolk home care company which was established in 1980 and now provides care 24/7 throughout the UK and beyond.

We continually read news/articles flagging up the activities of Doorstep Criminals: fraudulent roofers, gardeners, service officials and other non-genuine visitors who target older people. Over the years we have also had first-hand evidence from our own clients

and carers.

As a company we have decided to see if we can help prevent this on a small scale and so we have had the Door Safety Sticker (attached) to give away to older people. To date we have sent out 60,000 upon request, since February 2019.

If you think your older readers may like to have one, please ask them to either ring us on 01603 764567 or email to info@ablecommunitycare.com.

We will not keep their details other than to send out the door sticker to them.

Best wishes

Angela Gifford CEO.

Glentworth Parish Council Update

The recreation area project is progressing and a funding application has been submitted to West Lindsey District Council with a further application to FCC Communities. Decisions will be received in the new year.

We continue to work on the reinstatement of a footpath to Harpswell. An appeal has been made to the Secretary of State to assist and we await an outcome.

Lincolnshire County Council Highways have made repairs to Kexby Road, and improved the road edge of Coach road Hill during October/ November. We have reported the poor condition of Hanover Hill and Northlands Roads also. There have also been a few cases of fly tipping on Dog Kennel Road and these were reported to the District Council.

The Parish Council are planning to introduce new seating and wildlife flower planting in the village. We are consulting with West Lindsey District Council to see if the open space at Elizabeth Close could be utilised. Other places being considered are on the Northlands Road track and on the footpath across the field to Hillside Road. If you have any suggestions, then please let the Clerk or Councillors know.

The Parish Council have continued to support the concerns of residents on Hawthorne Close about the new dwelling on the previous open space. Significant concerns remain with respect to changes to the adjacent watercourse using gabion baskets and the associated flood risk, the rising main position and safety around the site. A supporting statement was sent for consideration at the recent Planning Committee.

The Parish Council have submitted an estimated precept request to West Lindsey District Council for £10,138 representing a 3% increase on the current value received. Your Council Tax is made up of a number of elements which fluctuate but determine the total amount charged. This includes Parish Precept (the amount the Parish Council requires to fund its services), amount of grant from West Lindsey District Council, Tax Base (the number of properties in the Parish), Local Council Tax Support Scheme (amount of financial support given to Parishioners on low income), Council Tax Discounts and exemptions (e.g. single person discount). It is possible therefore, that the Parish Council does not change its Precept and yet the Council Tax charged to you may increase/decrease due to the other factors above.

Finally, we have been made aware that there are plans to introduce 2 solar farms on land near to Cottam and West Burton power stations. The proposed sites are located close to us and other local villages. A public consultation has begun.

Gavin Monks, Clerk/RFO Glentworth Parish Council

 - Broadband update: Still awaiting information.
 - Solar Farm: There has been no response as yet from Ingham/Willingham parish. A letter was sent to Cllr Boothroyd in September and the parish is awaiting a reply. A "Community Consultation Leaflet" has been sent to all residents to be returned by 15th December. Residents are asked to contact Cottom Solar Project individual feedback. However, the parish has responded with concerns.
9. **Date of forthcoming event:** Coffee morning 17th December,
10. **Date of next meeting:** There is no meeting scheduled for January 2022. The next meeting will be 7th February 2022 at 7.30pm.

FRESH from ALISON'S KITCHEN

As Pancake Day falls on 1 March this year we have included our triple offering in this Village Venture issue to give readers a bit of time to prepare.

Starter: Smoked salmon wraps

- 250g cream cheese
- Grated zest and juice of 1 lemon
- 8 ready-made pancakes
- 300g thinly sliced smoked salmon
- 8 cornichons, finely chopped
- 3 tbsp chopped fresh dill

Mix the cream cheese, lemon zest and juice in a bowl, then spread over the pancakes. Top with the slices of smoked salmon, then scatter with the chopped cornichons and dill. Roll tightly from one side into a roll. Trim and discard the ends, then slice on an angle into 3cm slices.

Main: Roast tomato and grana padano galettes

- 500g mixed cherry tomatoes
- 2 sliced onions
- 2 bashed garlic cloves
- Olive oil
- 1 tbsp balsamic vinegar
- Handful fresh thyme sprigs
- 75g buckwheat flour
- 1 medium free-range egg
- 250ml semi-skimmed milk
- 100g grana padano, or vegetarian alternative

Heat the oven to 200°C/180°C fan/gas 6. Put 500g mixed cherry tomatoes, 2 sliced onions and 2 bashed garlic cloves in a roasting tray. Drizzle with olive oil and 1 tbsp balsamic vinegar. Scatter over a handful of fresh thyme sprigs. Roast for 30 minutes, remove from the oven and heat the grill to high. Whisk 75g buckwheat flour in a bowl with 1 medium free-range egg, 250ml semi-skimmed milk & salt and pepper, to make a smooth batter. Heat a drizzle of oil in a non-stick frying pan, add a ladleful of batter & cook for 3 minutes until golden underneath. Flip and cook for another 2-3 minutes until golden on the other side, then transfer to a plate & keep warm. Repeat with the remaining batter to make 4 galettes. Divide the tomatoes among the galettes, then fold in the edges to make a square. Put on a baking sheet or tray & grate over 100g grana padano. Grill for 3-4 minutes until golden and bubbling. Serve drizzled with crème fraîche (optional).

Afters: Drizzled Classic Crêpes

- 300g Nutella
- 150ml double cream
- 3 tbsp Frangelico or rum
- 16 ready-made sweet crêpes or pancakes, about 20cm diameter
- 70g chopped toasted hazelnuts
- Crème fraîche to serve (optional)

Heat the oven to 180°C/fan160°C/ gas 4. Put the Nutella, double cream and Frangelico (or rum) in a pan and warm very gently, stirring constantly, to melt everything together and form a smooth sauce. Allow to cool slightly. Put a crepe in a 20cm cake tin with a removable base, then spread over a thin layer of the sauce with the back of a spoon and add a scattering of hazelnuts. Put another crepe on top and repeat until all the crepes have been used up (leave the last crepe naked – you should still have some sauce and a few nuts left). Put an ovenproof plate or cake tin base on top of the crepes, then bake for 20 minutes until the pancake cake is hot throughout. Re-warm the chocolate sauce. Take the cake out of the oven, carefully remove the ovenproof plate or cake tin base from the top, then remove the sides of the cake tin, leaving the cake on its base. Drizzle with the remaining sauce and scatter with more hazelnuts. Cut the pancake cake into wedges to serve, with a dollop of crème fraîche if you like.

How it all started!

Brattleby Cliff and RAF Scampton.

The first powered flight was made on December 17th 1903 by Wilbur and Orville Wright.

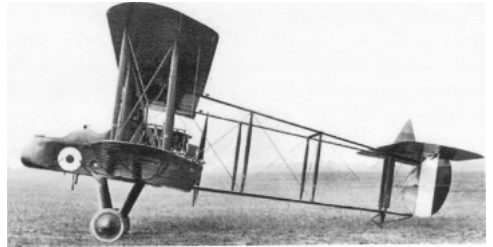

By 1914 warfare was to accelerate the development of the powered aircraft.

The attacks of 1915 by the German Graf Zeppelin, aided and guided inland by the waters of the Humber, needed urgent attention.

Home Defence assigned Squadron 33 of the Royal Flying Corps the task of protecting our Eastern coast from the Wash to the Humber.

Their aircraft was the Royal Aircraft Factory, Fe2b.

A biplane of the pusher configuration, flown by a pilot with an observer, gunner, positioned at the front armed with a .303 Lewis machine gun. The

Squadron's headquarters and Officer's Mess were at "The Lawns", Summer Hill Gainsborough.

The mechanics were billeted at the Workhouse on Lea Road (where Aldi is today).

A landing ground and workshops were built across the river Trent to the south of the Ramper Road.

Three grass airfields were established at Elsham, Kirton-in-Lindsey and Brattleby.

Records have it that the Home Defence Flight Station, Brattleby (also known as Brattleby Cliff), was opened on the site of the current RAF Scampton in late 1916 for this first operational unit, A Flight, No 33 Squadron.

The airfield was bounded to the east by Ermine Street, to the south by Pollyplatt Lane, to the west by Middle Street, and to the north by Aisthorpe House covering 287 acres.

A brief word of tribute to the young men of 33 Squadron.

They were actively recruited by the RFC from many parts of the world, South Africa, Canada even Argentina.

Many lost their lives; it takes little imagination to know why.

To fly the Fe2b in clement conditions would be a challenge let alone on dark nights against the enemy!

The graves of some of these young men have been carefully restored and can be seen situated by the Chapel in the Cox Hill Cemetery, Gainsborough.

On the 1st April 1918 the Royal Flying Corps (RFC) and the Royal Naval Air Service regrouped to become the:

Royal Air Force (RAF)

By 1936, the Royal Air Force Expansion Scheme had overseen a period of rapid increases both in terms of new squadrons and the development of new stations.

Brattleby became one of the stations, together with Kirton-in-Lindsey and Elsham. It was constructed to the latest specifications as a bomber station.

From August 1936 the station was known as;

Royal Airforce Station

THE MINISTRY TEAM, SPRINGLINE PARISH, DIOCESE OF LINCOLN

Scampton Parish Council

At the meeting held on Thursday 2nd December 2021 the following issues were discussed.

Open session – Steve Ulyat reported that he was still waiting for a response to his inquiry regarding the rewinding of the verges.

Speed Awareness/Speed Indicators/siting of the signs- A session had been held in Brattleby between 10.00 and 11.00am. There were 166 vehicles and 6 of them were doing speeds between 46 and 50mph. They would be getting a warning letter from the road safety partnership.

Litter Picks A litter pick at RAF Scampton had been held on 21st November. 8 people turned up and collected 8 bags of rubbish. At the February meeting the Parish Council would sort out dates for litter picks for 2022.

Closure of RAF Scampton Cllrs Bulteel and Sneath had attended an Engagement meeting. It looks as if Waddington are now taking on responsibility for the shop, school, Muga and will retain about 160 of the houses, although about 60 might be sold to Annington Homes but then more would be needed. The West Lindsey Plan will be published next April and by then the Parish Council needs to have put on the Community Assets Register the land that they would be interested in. It would not bind us to anything but would mean it had to be offered to us first at a reduced rate. We would need to investigate how much the maintenance of the land would cost.

There are talks of the A15 becoming the Trans Midland Roadway, stretching from the Humber to The Midlands. This would affect the area as the road would have to be improved.

The drawdown of the station has started. Once buildings are empty they are handed back to the DIO for sale. We need to make sure our views are heard by engagement with WLDC, DIO and LCC.

Footpath and the Village Green - There were still issues to be clarified and Cllr Sneath would contact Highways again to ask them to come to talk to her.

Parking at RAF Scampton –

There were concerns about the parking, particularly when there is football being played, about the backing up of traffic onto the A15. Overnight parking was also happening near the tennis courts and it meant that busses were unable to turn round. Cllr Sneath would take this matter up with Highways when they come out.

District Councillor's report – No report

Correspondence –

Drax Power – looking for us to renew our contract to supply electricity – Cllr Bulteel would contact them to have the figures clarified.

Anglian Water offering a priority service for the vulnerable. Information can be found by phoning 07971579, email partnerships@anglianwater.co.uk or fill in an online form.

Cllr Patterson forwarded information about the Platinum Jubilee Community Fund

Citizen's Advice Bureau requesting funding. This was not supported at this time.

Finance

It was noted that the following payments had been made:

Drax (October)	£74.56
E-On (Maintenance)	£83.16

The precept for next year was agreed and the application papers were signed.

The next meeting will be on Thursday 3rd February 2022 at 7.30pm in the BSA Hall, Aisthorpe.

Full Minutes can be read on the Parish Council website after their approval at the next Parish Council meeting <http://parishes.lincolnshire.gov.uk/scampton>

LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Our priority(s) for the next quarter is:

1. **THE FATAL 4** – speeding, drink driving, using mobile phones, no seatbelts
2. **YOUTH ASB** – active patrols
3. **RURAL CRIME** – thefts, poaching, harecoursing etc

WHAT'S BEEN HAPPENING

ASB – two youths have been identified and dealt with for causing distress to elderly residents in Welton with their Anti-Social Behaviour.

Also 6 youths have been identified and dealt with for their part in throwing eggs, tomatoes, and spaghetti at various properties across Welton.

Another offender has been identified and dealt with for throwing eggs at a property in Dunholme.
