A Note from your Editor

Hello!

Hope you all had a great Summer and welcome to the September issue of the Village Venture. So much has been happening in our villages during July and August and it has been quite a challenge to fit everything in.

Welcome to two new advertisers in this month's issue - **New Horizons Counselling on page 5** and **AEGIR Electronics on page 18**.

If you still unsure about what financial help will be available during the next 8 months, check out our "Cost of Living Support" on page 37.

Summer might be drawing to a close but there is still lots to do and get involve in. Thought Sculpture was boring? - have a look at our double page feature - page 34 & 35. Children, keep an eye open for a new recreation area - all the details on page 24. Never tried German Beer? - turn to page 7. Fancy a visit to Chatsworth towards Christmas?

- page 39 and so much more! Look after yourselves! **Bill Shaw**

2021 Cono Sur Gewurztraminer

(£6 at Tesco):

While gewurztraminer from Alsace is spicy and textured, this Chilean version is softer and gentler and ideal “drink anytime” wine. Ripe and perfumed, it has peach, orange and oriental fruit flavours with savoury spice components, but its modest acidity means it may seem sweeter than it actually is.

Take Wine - with Brian Elliott

Brian is a wine judge, blogger and a widely read wine writer

2021 Castellore Italian Primitivo

(£4.99 at Aldi):

Here is a great value red that has depth without being over-heavy. Medium bodied yet containing sufficient texture to partner grilled and roast meats, it is centred on cherry, plum and blackcurrant flavours. These are capably supplemented by limited tannin and good acidity with chocolate and allspice elements too.

Brian Elliott - Wine writer with the Trinity Mirror Group and founder of the www.midweekwines.co.uk website - now one of the Top 20 UK Wine Blogs as compiled by Feedspot.

Ingham Parish Council Update

This update is based on decisions made at the meeting of the Parish Council on 11th July 2022 and actions since. You can find the most recent agreed minutes on the Parish Council website <https://ingham.parish.lincolnshire.gov.uk> and the Parish Council noticeboard.

Recreation area project: The works have begun and we hope that these will be complete during August. We are planning to have an opening ceremony once the inspection of the equipment is complete and signed off. We hope you love our new play park!

Neighbourhood Plan: The steering committee last met in July and have agreed the timeline with Openplan Consultants for the coming 9 month period. A summary of public responses from the public event held in April has been produced and this will now be analysed and any preferences identified. Funding has been agreed from Locality for the coming year and technical support has been successfully applied for to establish design codes for the three different character areas in the village. We aim to review the objectives and strategy in September and complete the policies and draft plan in October. A consultation launch event will be scheduled for November.

The Parish Council have been invited to respond to the consultation for the Cottam and West Burton solar projects. There are concerns about the low key consultation with our Parish considering that parts of it will border our parish boundary and also the scale of these proposed developments. It is understood that the County Council and District Council will oppose these plans and we are supporting this view.

The issue of speeding in and around the village has been a continuous concern, particularly since the acquisition of a speed indicator device which provides speed data to us. We have been made aware of the Community Speed Watch scheme offered by Lincolnshire Road Safety Partnership. This allows trained volunteers to undertake visible speed checks at the roadside in a controlled and authorised manner within the parish. The police will train and monitor parish volunteers to carry out speed checks. The police will send letters of advice to the registered keeper of any vehicle exceeding the speed limit. Speed enforcement of course will remain the responsibility of Lincolnshire Police and will continue to be carried out by trained police officers. If any parishioner would be interested in volunteering, please let the Clerk know.

PKF Littlejohn are our appointed external auditor and they have found that our accounts and processes are in accordance with Proper Practices and no other matters have come to their attention that give cause for concern that relevant legislation and regulatory requirements have not been met. A closure of audit notice will be posted on the noticeboard and parish website.

Sadly, Councillor Robin Graham has resigned from the Parish Council and we thank him for his time and expertise during his time with us. There are now two vacancies for the position of Councillor. If you would like to find out more about the role, please contact the Clerk.

INGHAM OPEN GARDENS

We had a lovely sunny afternoon for our first Open Gardens Event in Ingham on Sunday 24th July. The turnout was wonderful and we hope everyone enjoyed themselves - we are sure that everyone will agree that the gardens were as varied as they were beautiful.

Special thanks to all the villagers who kindly opened their gardens - without you the event would not have been possible! Thanks also to the garden owners who, in addition, organised and put on the tombola, splat the rat and Pimms. Thanks to the cake-makers and the people in the village hall serving refreshments, selling tickets, cakes and raffle tickets, and those who donated raffle prizes.

We were able to raise just over £210 for Springline Good Neighbours.

Look out for a bigger and better Open Gardens Event in June 2023!

To the people of the Springline Parish and nearby villages.

It is important you should read this, as it concerns you if you live in Ingham or one of our neighbouring villages.

What you are about to read, maybe familiar to you: in fact you may know more it than I, as I am a newcomer to Ingham.

For nearly a decade, the members of All Saints church have been planning to make alterations to the church building in an effort to bring it more up to date, more acceptable to the people who would like to use it. The term or word being adopted is, 'Reordering'. I need to say right away that its original use is for the worship of God and that won't change. The main 'idea' laid out some years ago, hasn't changed either, that is to make the building more user friendly to the community of Ingham and other villages surrounding us.

The village hall serves the communities well to an extent, but only available when the primary school isn't using it, outside school hours. This limits the availability for people needing to hire a space in the neighbouring villages during school times. We think that installing the necessary facilities in the church building will avail an alternative space for corporate or private gatherings to hire.

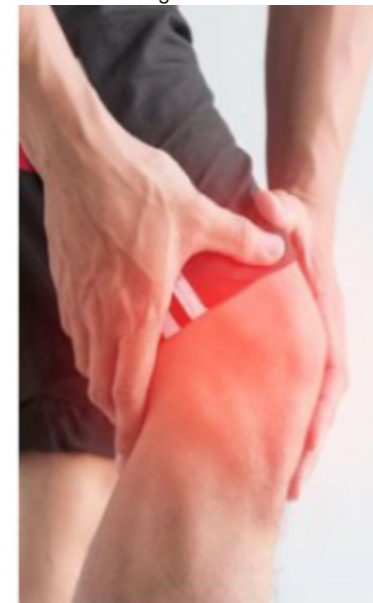

The previous plan submitted, which was to build an extension onto the west facing porch, has stalled for various reasons. The new proposal for the re-ordering is to use the area immediately inside the church, under the Minstrel's Gallery with a kitchenette on one side and a disabled toilet on the other. The pews would be removed and replaced with stackable chairs, giving a flexible zone in the body of the church for activities. This means of course the floor would be levelled, and heating will be looked at. The outside path through the trees from the gate to the porch would be resurfaced with lighting installed.

The new working group has given itself twelve months to start work on the project, the clock is ticking! We are a small church community and the work is complex, we can only do so much on our own. To make it work for the benefit for all of us we need your support and help. Please don't stop reading now. IT'S NOT ALL ABOUT MONEY. It's still a big ask though. **Unfortunately the project cannot continue without a Treasurer or a Secretary**, as both will be moving on very shortly. Is there any way we can overcome this dilemma. We can't raise them from our own community, is there any one you may know in your street, family, work place, church or Parish Council who can help, please don't leave it to someone else. We have asked this of you good people many times before; I'm standing by my 'phone!

Peter Bell, Parish Licensed Reader 01522 217902. Or Chair, John Campbell 01522 217979.

A Word from the Rural Dean Designate

There 'Do not be afraid' – words that echo through the Bible. They are used by God to individuals and to whole people groups, Jesus uses them to individuals and to his friends and followers. I don't know about you but when I hear the words 'You don't need to worry, but...' or 'Don't be afraid' – I suddenly begin to wonder what there is to worry about or be afraid of and start worrying... I guess its part of the human condition. I also think that when we look around at the world at the moment, there is much anxiety and much uncertainty.

What as Christians do we do with that uncertainty – how do we take that command of Jesus to 'not be afraid', because nowhere in the Bible does it tell us that being a follower of Christ means that we are immune to the difficulties of life. The key to that is in Jesus words in Luke's gospel: 'Do not be afraid: it is the Father's good pleasure to give you the Kingdom'. What is the Kingdom? Well, the Kingdom is not about the future – it is about now, and the key to that Kingdom is love. You are loved, by a God who goes by such familiar names as Father and Mother. You are loved by Jesus who calls you friend. You are loved by the One who made everything and promises a Kingdom of justice and love. You are loved and therefore you can let the fear roll away and let loose your fingers from the things to which you cling and live a non-possessive life. For, we are at our best when we live non-possessive lives. We become more welcoming and hospitable. We forgive more freely. We're more generous with our time, money, and resources. We love more extravagantly. We see more clearly our deep interconnection with and need of others. A non-possessive life deepens our conversations and intimacy. We handle conflict and differences in better and more productive ways. We open our hearts and minds to other people and new possibilities. We're more creative and less judgemental of ourselves and others. Isn't that a picture of Jesus – a non-possessive life – Kingdom life. The one who gave His life on a cross, the one who sought to serve, the one whose love broke death, the one whose invitation was to all - no matter who they were or are; the one who deliberately and intentionally went to the outcasts, the one who set people free, who prayed, who forgave, who challenged those who believed they possessed God, the one who journeyed with people, the one who offered conversation and encounter. That was and is Kingdom - for that is love.

Many blessings
Penny

E-Scooters

Did you know?

You are only allowed to ride an e-scooter on private land with the landowner's permission.

It is against the law to ride an e-scooter on public land including pavements, cycle lanes, beach promenades, bridleways, or any publicly accessible land such as parks and car parks.

Why is this?

E-scooters are classified as Personal Light Electric Vehicles. This means they are treated as motor vehicles and have to keep to the same legal requirements.

Where can I ride my e-scooter?

It is against the law to ride an e-scooter on public land including pavements, cycle lanes, roads, beach promenades, bridleways, or any publicly accessible land such as parks and car parks.

What happens if I'm caught?

You must stop using your e-scooter on public land immediately. The police can issue you a warning, can seize your scooter and the rider may also be liable for prosecution for traffic offences.

Dear Friends, The Bishops' Office, Edward King House, Minster Yard, Lincoln
LN2 1PU • 01522 50 40 90

Whilst your minds will most likely be focused on your summer breaks, we would like to warmly invite you to participate in designing this year's Christmas card. We suspect there are many budding artists, designers and photographers – perhaps even cross-stitchers – amongst you who may be looking for their next project.

The chosen card will be sent out to each church in the diocese from the Bishops and Archdeacons. Prizes will be awarded to the winner and to runners-up.

The submission date for entries is Friday 30 September. Please ensure that your design is an original piece of work and the size is no larger than 151 mm x 151 mm. Please include a title or description of your artwork, as well your name and parish, which will be printed on the card.

Submissions can be made via email (bishops.admin@lincoln.anglican.org) or posted to: The Bishops' Office, Edward King House, Minster Yard, Lincoln LN2 1PU. Please include your contact details within your submission to ensure that the winners can be notified.

We look forward to seeing a range of creative and inspirational designs from across the diocese and may we take this opportunity to wish you all a restful and refreshing summer.

With our best wishes,

Stephen Conroy + *David Court* + *Nicholas Chamberlain*

The lecture this month featured Paul Rabbitts, a landscape architect and expert on Bandstands! He gave a fascinating insight into the history of one of our greatest ever institutions - our great British public park. We have all enjoyed them at some time in our lives but what do we really know about them? their origins? did they really start in the Victorian period or do they go even further back? This talk illustrated their origins, talks about the need for parks, the Victorian heyday, what makes a great park, with examples of lodges, lakes, bandstands, fountains and floral displays, to their great decline in the sixties and seventies. However, the subsequent revival has led to a major shift in interest in our parks and once again we are much in love with them. This was also a highly illustrative talk accompanied by slides with examples of parks from across the UK and their designs and architecture.

Work begins on the new recreation area in Ingham

Building work is under way soon to create a new and improved play park facility for children in Ingham.

The Ingham recreation area improvement is a step closer now that the work has begun for new play equipment at the Ingham Recreation Area.

The project, which is being funded by a £73,205.76 grant from FCC Communities Foundation, will provide a exciting array of new equipment for toddlers through to teens including an agility trail, tree climber, trampoline, somersault bars, play towers with a track ride and equipment for disabled use along with safety surfaces.

Keep an eye open for the opening date

Keep an eye open for the opening date!!!

Glentworth Parish Council Update

This update is based on the decisions and discussions at the last meeting of the Parish Council on 29th June 2022 and actions since. A full copy of Minutes can be found on the Parish Council website or noticeboard.

Work on the Recreation Area Project begun in early August and was due to take 2 to 3 weeks to complete. There will be a new climbing frame, play boat and somersault bars along with new play surfaces and seating. We hope to hold an opening ceremony once the park is complete and inspected. We hope you all enjoy the new park.

The Parish Council have ordered a new community noticeboard which will be sited close to the Parish Council noticeboard on Stoney Lane. This will be unlocked and therefore accessible to all parishioners who may want to post notices about community events or important community messages.

As part of the Platinum Jubilee commemoration the Parish Council were successful in achieving funding to purchase a new tree and wildlife notice for the Pocket Park. We hope that this will enhance this under used area. We hope to improve the pond area in due course once advice has been sought.

The Parish Council have been made aware of the proposed Tillbridge Solar project which seeks to locate a large number of solar panels close to our village and on land between us and Corringham.. Before we respond to a consultation we wanted to gauge your opinions in the village and therefore we have circulated a brief questionnaire to all households. If you have not been able to complete this or have lost a copy please feel free to send an email to the Clerk.

 6pm or by email on inghambonfirenight@outlook.com

as soon as possible.

Please feel free to share this event with family and friends

From the PCC Secretary

Quite a lot has happened since I wrote in June for the July/August issue. Richard Crossland has retired as Rural Dean and Revd. Penny Green of Cherry Willingham and Revd Adam Watson of Dunholme have jointly taken on the role of Rural Dean and Cannon Aly Buxton has been appointed as the Archdeacon of Stow.

With a reduction in the number of stipendiary clergy we will be implementing a new service rota from the beginning of October which will allow for 2 services across the parish on the 1st 3rd and 4th Sundays with a United Service on the 2nd and 5th Sundays. There is currently a vacancy for a Foundation Governor at Scampton C of E Primary School. If anyone is interested in representing the church on the school governing body could you please forward your details to myself

Kind regards

John Moore - Secretary to The Springline Parish PCC - springlinepcc@btinternet.com

INGHAM & DISTRICT BOWLS CLUB

We have now come to the end of the outdoor bowling season and will start to work on the green, trying to get it back after all the hot weather we have been enjoying. As you would have seen the green has suffered over this period. A lot of work will be needed to get it back to a good playing surface next season, this work will be conducted over the coming months.

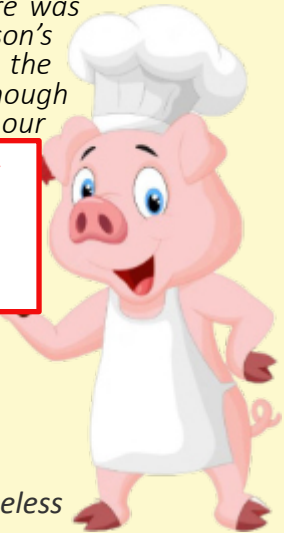

The club has had quite a good season this year finishing mid-way in the West Wold league and one player reaching the singles final and two reaching the open pairs final in West Wold competitions. We also reached the semi-final of the Wilmot Shield, well done everyone.

Just a reminder that we have applied to become Community Champions with the Co-Op this is to help with essential work within the club. We hope everyone who uses the Co-op will support the club by choosing them as their Community Champions.

FRESH from ALISON'S KITCHEN

We are sad to report that, since the last Village Venture was published, there has been a bout of Covid-19 within Alison's Kitchen. This unfortunate affliction has affected not just the chief cook but our intrepid bottle washer as well. Although symptoms have been fairly moderate, Mr B claims that our outbreak was nothing compared with Man flu. At least we seem to have got over it and normal service is starting to resume, beginning with this tasty feast of braised pork chops, guaranteed to perk you up.

Braised Pork Chops with Apples

Ingredients

- 1 teaspoon sunflower oil
- 2 lean boneless pork chops (fat removed) or lean boneless pork loin chops or steaks (about 150g/5 1/2oz each)
- 2-3 shallots, thinly sliced
- 85g (3oz) mushrooms, sliced
- 2 teaspoons plain flour
- 100ml (3 1/2fl oz) vegetable stock
- 4 tablespoon dry cider (or apple juice)
- 1 teaspoon wholegrain mustard, or to taste
- 1 large eating apple, peeled, cored and thickly sliced

Method

1. Preheat oven to 180°C/fan 160 °C/gas mark 4. Heat oil in a non-stick frying pan. Add pork; cook over a medium-low heat until sealed all over. Transfer to an ovenproof casserole dish.
2. Add shallots and mushrooms to frying pan; cook for 5 minutes. Add flour; cook gently for 1 minute, stirring. Slowly add stock and cider, stirring; add mustard and black pepper. Bring to the boil; continue stirring for 2-3 minutes or until thickened slightly.
3. Place apple slices on pork; pour over sauce. Cover and cook in oven for 45-60 minutes or until pork is tender. Serve with boiled new potatoes and plenty of vegetables.

SCULPTURE AT DODDINGTON

You may think 'Sculpture' is not your thing that there won't be anything that interests you.

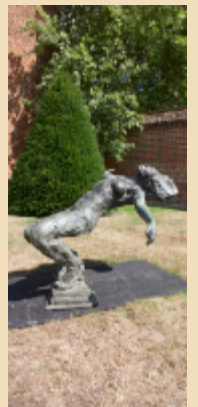

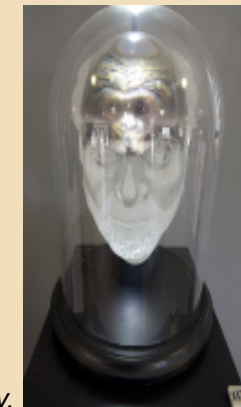

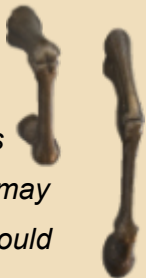

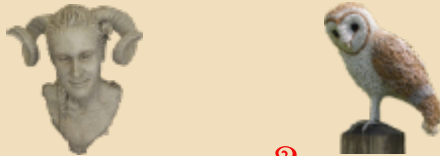

But any sculpture, art and even music we like is purely subjective, which means it's based on our personal feelings, tastes or opinions. If you

like animals, flowers, fairies, aeroplanes, abstract pieces and amazing mobiles that move elegantly in the wind then

you will love this event, so much to see.

Doddington Hall is currently holding its 6th Sculpture Exhibition in the Gardens.

There are over 360 exhibits positioned around the Gardens and in the Exhibition Barn, most of them are for sale but you may need a large garden yourself to house some of them or you could purchase a small aluminium butterfly to hang from a tree!

*All types of material are used, Ceramic, stainless steel, Bronze, Copper, Iron, Marble, Wood, Glass and a range of recycled products. The exhibition is on until **11th Sept, 10am to 4pm.** So - still time to visit and Enjoy.*

WHAT'S BEEN HAPPENING

ASB – active patrols to deter antisocial behaviour and address any inappropriate behaviour. A substantial amount of alcohol has been seized off underage children.

We have had some issues with large groups meeting up in parks to have party's; parents/carers please be advised that it is not appropriate to be dropping their children off at parks with alcohol.

Pets / extreme weather conditions – to avoid your pets getting burnt paws please only walk them in early morning, or late evenings when the ground is cooler.

Also do not leave pets and children in your cars as it only takes minutes for the heat to become at a dangerous level. It is a criminal offence if your actions cause distress/harm to your pets/children.

Neighbourhood Police Team (NPT) Email – please do not email your local NPT Team when an incident is occurring in as the NPT email is not monitored 24/7, please call 101 or 999 at the time and only use email for general information

Fly Tipping & Noise Complaints – please report to West Lindsey District Council.
